Message to Clubs and Members

Hello everyone

Well it's here, the rain that is, and it has been some time coming after a long, hot and dry spell. Hopefully it will continue for more than the few hours we had recently and your garden, if you have one, will recover.

What will be coming up are the **Workshops** that the Area Show committee have arranged for you. These will be on **24th September at East Horsley Village Hall**. A number of workshops will be available and members can choose two to do, one in the morning and one in the afternoon. All the details and cost are on the Surrey Area website and although there are lots of things going on at the moment we would ask that you sign up as soon as possible so that preparations can be made even though it is still about a month away. Contact Sue Drinkwater at show2022surreynafas@gmail.com Many of the items required will be made available to you so all you will need is your lunch.

Also from 26th August you will be able to make an entry for the **Surrey Area Show 'Floral Alchemy' at Horsley Towers, East Horsley**, on 30th October. Again the Schedule, entry forms and all details are on the Surrey Area website. Although there is quite some time before the end of October entries must be in by 10th September.

This brings me to the other happening at this time and I hope you are preparing your entries or planning your visit to **RHS Wisley Show**. This year it takes place between **6th and 11th September** with staging on Monday 5th September and if you plan to visit please remember that tickets must be booked. Please see the RHS website for information.

For my details, if you wish to contact me directly, and details of the Area website are below.

I do hope you will encourage everyone to take part in these activities that have been organised for you and please feel free to wear masks, use hand sanitiser, keep social distance as you think appropriate. Covid is still with us and we must protect all who may be vulnerable.
