Hi Everyone – I am Vivien Withers and I have been a qualified Area Demonstrator for just over one year. I qualified in the Wessex and Jersey area and was lucky enough to have Michael Bower and Angela Turner amongst my Tutors. I was the only new Demonstrator in the Surrey Area in 2022.

I hold a Level 4 Diploma in Floristry and received a Bronze Medal at Hampton Court Flower Show. I take my inspiration from having worked in beautiful woodland at Surrey Wildlife Trust and just love my large cottage style garden. I have arranged flowers at local Churches for over 20 years. I enjoy demonstrating at many different NAFAS clubs where I receive a warm welcome.
