BRENDA BULL

AREA DEMONSTRATOR

West Chiltington, West Sussex

I am a newly qualified demonstrator having taken my test in April 2025.

My interest in flower arranging has given me immense pleasure for many years and it is a joy to now be able to share this with others demonstrating.

I am an Area Judge and enjoy teaching, particularly to encourage those new to flower arranging to develop their skills.

As a keen photographer, when I get the opportunity, I like nothing better than simply being outside to appreciate the countryside and nature in all its forms.
