## Message to Clubs

Hello everyone

Many, many thanks to all those who attended the Council meeting on Monday. It was so good to see people for real and be able to speak with you.

After the meeting quite a few things have happened and I wanted to make sure that you are all aware of these before it is too late as we have not been given much time.

1) The organisers of flowers at Westminster Abbey have been in contact with all the Area Chairmen to ask about the willingness of members from their Area to arrange flowers in the future. Often this can be with short notice. It would be helpful to know if any member of Surrey Area is willing to do this and whether it would be acceptable for you to be asked more than once a year. You do have to be a competent arranger of a more traditional style. Even if you had offered previously please let me know at this time.

2) The organiser of flowers at Southwark Cathedral has also been in contact to ask if any member who lives nearer to Southwark Cathedral would be available to arrange flowers for them. Please let me know if you would be interested and I can pass your name on to them. It would also help if you gave the name of the Club where you are a member.

3) At the NAC meeting on 1 October there is often a session at the end open to Area Chairmen to make comments or ask questions. This time Area Chairmen have been invited to ask questions or make comments about the new Education modules or the National Show in Gloucester in 2023. If there is a question or comment about either of these two points you wish to make please let me know.

It would be helpful if any comments on any of the 3 points are made to me by 28 September so that they can be collated before being passed on to the relevant people.

Many thanks for your co-operation.

Hope you are all keeping safe and well.

Chris Brown  
Chairman
