The Surrey Area of NAFAS and the Show Committee would like to thank the management of The Dell Centre for allowing us to stage the 2024 Area Show in the venue.

This year we are supporting Surrey Home-Start, they will receive proceeds from the cake sale and donations.

Home-Start is one of the UK's leading family support charities and we have been helping families with young children. They provide a unique service - recruiting and training volunteers to support parents at home in situations as diverse as isolation, separation, bereavement, multiple births, illness, disability or who are just finding parenting a struggle. The volunteers visit once each week for a couple of hours to provide non-judgemental practical and emotional support and help build the family's confidence and ability to cope.
