LYNIS WILLIAMS

AREA TEACHER

KT21 Ashted

My earliest floral design for a competition entry was whilst at school! However I was able to take up flower arranging properly on retirement. Eager to learn, more I started my L2 NAFAS course in Floral Art and Design with the late Ann Winkworth. After completing L2, L3 and L4, I successfully tackled the NAFAS OCN teaching course.

My floral design journey has involved arranging at Westminster Abbey, demonstrating at Hampton Court Flower Show and competing in Area, National and World Competitions – so far.

I really enjoy teaching people of all ages and abilities encouraging all to be creative.
