Since becoming a NAFAS/OCN teacher in 2021 I have taught in Surrey Area Clubs, W.I.s and U3A groups.

I have completed and passed NAFAS level 2, 3 and 4 courses in the Surrey Area of NAFAS. I also enjoy entering shows and competitions at Club, Area and National level and have had several winning entries. Some of my work has been published in magazines, such as Floral Design and Flora, and the now terminated NAFAS Insight magazine.

I really enjoy teaching and helping others to expand their skills in flower arranging and design.
